This commentary contains statements that constitute “forward looking statements”. Examples of these forward looking statements include, but are not limited to, (i) statements regarding future results of operations and financial condition, (ii) statements of plans, objectives or goals and (iii) statements of assumptions underlying those statements. Words such as “may”, “will”, “expect”, “intend”, “plan”, “estimate”, “anticipate”, “believe”, “continue”, “probability”, “risk” and other similar words are intended to identify forward looking statements but are not the exclusive means of identifying those statements. Forward looking statements included herein are based on current expectations and beliefs and Algonquin disclaims, other than as required by law, any obligation to update any forward looking statements whether as a result of new information, results, future events, circumstances, or if Algonquin’s expectations or opinions should change, or otherwise. By their very nature, forward looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that such predictions, forecasts, projections, and other forward looking statements will not be achieved. A number of important factors could cause Algonquin’s actual results to differ materially from the plans, objectives, expectations, estimates, and intentions expressed in such forward looking statements. As such, undue reliance should not be placed on any forward looking statement.
